

## Amaravati Development Corporation Limited

**Tender Notice No: 06/HOD/UG & F/ADCL/2018-19 Dated: 12-01-2019**

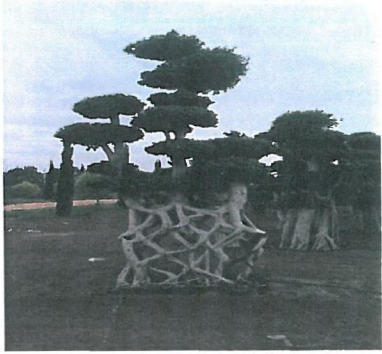

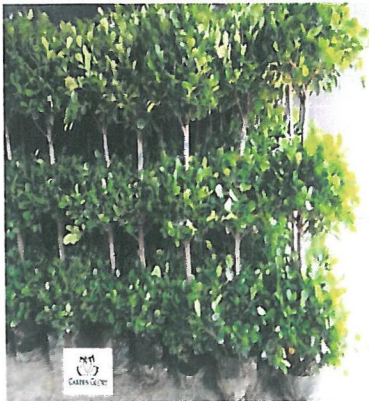

**NAME OF THE Work: Procurement of 3970 Nos of Value added Plants/ Unique Trees for planting at different locations in Amaravati Capital City area during 2019**

**The following Corrigendum is issued to the above tender Notice.  
Corrigendum -I date.21-01-2019**

S. No	Name of the Plant/Tree	Photo	Specifications	Required Quantity
1	Olive multibranches ( Multi Branches)		i) Six (6) feet above from the top of the container required, ii) Approx. width of the plant canopy Six (6) feet iii) Approx. Girth of the plant Two (2) feet	10
2	Olive big ( Multi heads)		i) Six (6) feet above from the top of the container required, ii) Approx. width of the plant canopy Twenty (20) feet iii) Approx. Girth of the plant Six (6) feet	4
3	Italian cypress spiral		i) Twelve (12) feet above from the top of the container required, ii) Approx. width of the plant canopy Two (2) feet iii) Approx. Girth of the plant One (1) foot	10

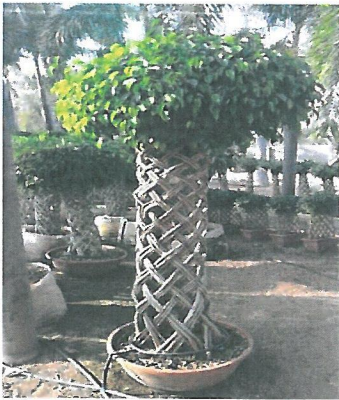

4	Caesalpinia ferrea		<p>i) Fourteen (14) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Six (6) feet</p> <p>iii) Approx. Girth of the plant One (1) foot</p>	50
5	Hibiscus		<p>i) Four (4) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Three (3) feet</p> <p>iii) Approx. Girth of the plant Half (1/2) foot</p>	1500
6	Ficus multistem "S" type (Multistem)		<p>i) Four (4) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Three (3) feet</p> <p>iii) Approx. Girth of the plant One (1) foot</p>	20
7	Ficus multistem (Multistem, Multi balls)		<p>i) Six (6) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Four (4) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	100
8	Ficus multiroot, Multi ball (Multistem, Multi balls)		<p>i) Ten(10) feet above from the top of the container required, ii)</p> <p>Approx. width of the plant canopy Six (6) feet</p> <p>iii) Approx. Girth of the plant Three (3) feet</p>	20

9	Ficus topiary braided big (Braided)		<p>i) Twelve(12) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Five (5) feet</p> <p>iii) Approx. Girth of the plant Fourteen (14) feet</p>	5
10	Bougainvillea (4 to 5 Heads)		<p>i) Ten(10) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Five (5) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	50
11	Delonix decaryi (gulmohar white)		<p>i) Sixteen(16) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Three (3) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	500
12	Heteropanax fragrans		<p>i) Nine (9) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Four (4) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	50
13	Ficus 3 tier (Multi balls)		<p>i) Six (6) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Three (3) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	200

14	Cage ficus (Braided)		<p>i) Four (4) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Three (3) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	700
15	Jungle Shape bougainvillea		<p>i) Six (6) feet above from the top of the container required, ii) Approx. width of the plant canopy Six (6) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	100
16	Ficus knitted (Braided)		<p>i) Six (6) feet above from the top of the container required, ii) Approx. width of the plant canopy Three (3) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	50
17	Ficus multistem multi topiary (Multi ball, Multistem)		<p>i) Twenty (20) feet above from the top of the container required, ii) Approx. width of the plant canopy Ten (10) feet</p> <p>iii) Approx. Girth of the plant Twelve (12) feet</p>	1

18	Ficus braided (Braided)		<p>i) Six (6) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Two (2) feet</p> <p>iii) Approx. Girth of the plant One (1) foot</p>	600
19	Brachychiton rupestris		<p>i) Fourteen (14) feet above from the top of the container required,</p> <p>ii) Approx. width of the plant canopy Six (6) feet</p> <p>iii) Approx. Girth of the plant Two (2) feet</p>	100
