2 Expression of Interest (EOI) for Empanelment of Nurseries for Supply of Saplings and Trees for Green Infrastructure Works in Amaravati Capital City

The Amaravati Capital City is embarking on an extensive "Green Master Plan" with the vision to "Create A Clean, Healthy Vibrant City with Well Protected Environment Which Supports a Sustainable Society and Economy". This involves a wide array of proposed green infrastructure works, guided by recommendations from the Green Committee and NGT. Amaravati Development Corporation Limited (ADCL) now invites Expressions of Interest (EOI) from qualified and experienced nurseries for their empanelment to supply a wide variety of saplings for the ambitious Green Infrastructure works. This initiative is a core component of the "Green Master Plan – Amaravati Capital City," which aims to "Create A Clean, Healthy Vibrant City with Well Protected Environment Which Supports a Sustainable Society and Economy".

Overarching Vision and Guiding Principles

The core principles for green infrastructure in Amaravati focus on the promotion of biodiversity, aiming to develop 3-storeyed forest ecosystems, biodiversity parks, 3-tiered avenues of diverse tree species, shrublands, vegetation buffers around water bodies, and palm groves. There is a strong emphasis on the preservation and planting of native species, particularly deep-rooted large foliage plantation. Key ecological considerations include the development and management of Hill, Forest ecosystems, and other natural ecosystems, as well as the creation of connected lung spaces with equitable access.

For sustainability, the application of plant nutrients is encouraged, alongside the adherence to Base and Rotterdam conventions, which means using nature-based soils and avoiding banned pesticides and synthetic fertilizers. Additionally, Miyawaki plantation techniques are encouraged.

Vision and Scope of Green Infrastructure Works

The Amaravati Green and Blue Master Plan emphasize the promotion of biodiversity, the development of multi-storeyed forest ecosystems, biodiversity parks, and diverse tree species avenues, along with the preservation and planting of native, deep-rooted large foliage plantation. Key green projects include, among others:

- **Roads and Transport Infrastructure:** This encompasses extensive roadside, central median, and avenue plantations across 34 trunk roads and Beautification of LPS Roads with Plantation
- **Parks and Lung Spaces:** Development of Public Recreation Parks in Sakhamuru and Malkapuram Lung Space Parks in Ananthavaram and Biodiversity Parks in Kurragallu. Parks in Land Pooling Scheme Zones.
- **Water Bodies and Flood Management Ecosystems:** Projects involve the beautification of Canal Front Areas along Kodaveeti Vaagu, Palavagu, and Gravity canal, River Front Areas along Krishna River, and Reservoirs in Krishnayapalem and in Neerukonda.

Required Saplings and Plant Types

Nurseries should be capable of supplying a diverse range of saplings, with a strong emphasis on native species, deep-rooted large foliage plantation, and those that promote biodiversity and provide ecological benefits. The species should also align with the principle of "nature-based soils" and avoid "banned pesticides and synthetic fertilizers".

Nursery Requirements and Capabilities

Interested nurseries should demonstrate capabilities in the following areas:

- i. Capacity for Large Scale Production: Ability to supply saplings for extensive projects, including roadside plantation, central medians, avenue plantations and various parks covering hundreds of acres.
- ii. Species Expertise: Proficiency in cultivating a wide range of species, particularly native, deep-rooted, and large foliage varieties, suitable for various ecological zones within the city.
- iii. Sustainable Practices: Adherence to environmentally sound practices, including the use of nature-based soils and the avoidance of banned pesticides and synthetic fertilizers, in line with Base and Rotterdam conventions.
- iv. Innovative Practices: Interest or capability in modern techniques such as broadcasting of seed balls through Drone technology is a plus.

2.1 Submission of Expression of Interest

Interested nurseries are invited to submit their EOI, detailing their capacity, experience with similar large-scale greening projects, list of available species, nursery infrastructure, and adherence to sustainable cultivation practices. Further details on the submission process will be communicated to empanelled nurseries.

Formation of cartel or indulging into monopolistic practices shall be sufficient ground for disqualification and for blacklisting for future.
- iv. Incomplete or conditional proposal, in either or both Technical and Financial proposals, in the EOI.
- v. Failure to pay the EOI Fees and EMD
- vi. Submission of complete proposal beyond the last date of submission.

7 EVALUATION OF PROPOSAL AND ACCEPTANCE

7.1 Evaluation Procedure

- i. Technical proposals will be opened by the Committee of officers of ADCL
- ii. Proposals corresponding to which the EOI Fees and EMD have not been received will be summarily rejected.
- iii. Technical Proposals and complete in all respect will only be accepted and qualify for next stage of evaluation.
- iv. Financial proposals of only those Suppliers declared technically eligible by the EOI Committee will be opened
- v. Pursuant to scrutiny and decision of the EOI Committee (TC), the summary list of eligible Suppliers whose Financial Proposals will be considered and informed to all through mail.
- vi. During evaluation, the Committee may contact any of the Suppliers and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these are not be produced within the stipulated time frame, their proposals will be liable for rejection
- vii. Bid Price of all the Suppliers shall be compared to determine for empanelment.
- viii. If rates quoted by any Supplier/s are abnormally low and seem to be unrealistic to the EOI Committee will not be considered for empanelment
- ix. The EOI Accepting Authority does not bind itself to accept any or all proposals and reserves the right to reject any or all the proposals, without assigning any reason whatsoever.
- x. The Bid will be valid for **12 months** from the last date of submission of bid and the validity may be extended beyond the stipulated period on mutual agreement between both the parties.

7.2 Issue of Supply Order

- i. The Supply order will be issued on need basis to anyone or more nurseries under empanelment and whose rate is reasonable will be awarded the supply order.
- ii. In case of any increase in requirement, the same shall be supplied by the empanelled nurseries.

7.3 Miscellaneous

- i. It is clarified that, normally no rate negotiation will be done and therefore the Suppliers should quote their lowest prices only. However, ADCL may negotiate the rates in exigencies, if required to do so.
- ii. Decision of the EOI Accepting Authority will be final and binding upon every supplier.
- iii. The EOI Accepting Authority unequivocally reserves the right to reject any or all bids, and to cancel the EOI at any point of time, before the issuance of the supply

order, without assigning any reason, and without incurring any implicit or explicit liability.

8 COMMENCEMENT OF SUPPLY WORK

8.1 Agreement

- i. The selected Supplier for empanelment will be issued a “Letter of Intent” and shall have to submit a “Letter of Acceptance” within 5 calendar days.
- ii. Signature by the same authorized representative who submitted the EOI documents with the stamp and seal of the firm on the copy of the “Letter of Intent” shall be sufficient as “Letter of Acceptance”.
- iii. Within 5 calendar days of receipt of the Letter of Acceptance, the successful Supplier shall execute an Agreement in the prescribed format (Section-13) with ADCL.

8.2 Security Deposit

- i. The Supplier has to submit 2.5% of the order value as security deposit within 5 days of placement of supply order which shall be refundable (without any interest) at the time of final payment. Security deposit may be submitted in form of demand draft in favour of **Amaravati Development Corporation Limited, Vijayawada**

8.3 Supply

- i. The supply order shall be issued by ADCL to the nurseries under empanelment whose rate is found reasonable.
- ii. Supply of the indented quantity of material to the designated places shall be completed **within 20 calendar days** of the issue of supply order.

9 DELIVERABLES AND RESPONSIBILITIES

9.1 Delivery and Quantity Obligation

- i. The responsibility of the successful supplier includes transportation, loading, sorting, unloading and delivery to the party at delivery points as mentioned in the supply order with the help of the required number of skilled persons without damaging the plants.
- ii. Transit losses will have to be borne by the supplier.
- iii. The planting materials to be supplied shall be robust, healthy and free from pests and diseases and shall have good foliage, without any damage.
- iv. The poly packet (should be above 50 microns) containers should have proper pot mixture of the red earth/black earth, sand and farm yard manure and saplings should be as per specification of Annexure-I.
- v. The soil of the poly bags to be supplied shall be intact.
- vi. The supplied planting materials which do not conform to the specifications (As mentioned in supply order) shall be rejected outright and the supplier shall have no right to claim payment for the same and should be replaced within seven calendar days from the date of intimation of such rejections.
- vii. Height of the said plants shall be measured from the top of the poly bag to the tip of the seedling/plant.
- viii. The roots of the plant materials to be supplied shall not be exposed.
- ix. The said plants to be supplied shall not show any withering/wilting symptoms at any time of delivery.
- x. The quality and quantity of the planting materials will be checked by the recipient at the time of delivery and the supplier shall allow sufficient time to the recipient authority for checking and examination of the same.
- xi. The substandard materials (if any), lacking the above qualities, will be rejected outright and the supplier will be liable to replace the said quantity within 7 calendar days from the date of intimation of such rejection.
- xii. The recipient authority will send the field verification report within 30 days from the date of delivery to ADCL. In case of any mortality of the planted material, the actual cause of mortality will be ascertained through field verification and the proportionate cost of the said quantity will be deducted from the supplier's bill. No extra claim will be entertained for such replacement.
- xiii. Any deviation from the prescribed specifications will not be accepted by the authority under any circumstances.
- xiv. Prior to putting the Certificate / Acknowledgment on the Challans, the recipient shall satisfy himself about the quality and quantity.

9.2 Delay in Supply

- i. It is emphasized by ADCL and understood by the supplier that the period of delivery, stipulated in the supply order is the essence of the work.

- ii. It is admitted by the supplier that any delay in delivery may obviate the necessity of supply and thereby affect the implementation of ADCL supply plan.

9.3 Penalty

- i. If the supplier fails to deliver any or all of the planting materials within the time specified in the supply order due to his fault or inefficiency, a sum equivalent to 2.5% of the price of the delayed materials will be deducted for each week of delay or fraction thereof until actual delivery.
- ii. In case, the delay is beyond two weeks, ADCL will issue a written notice terminate the supplier to proceed with any or all of the necessary part of supply.
- iii. Such failure on the part of the supplier leading to delay beyond two weeks will result in forfeiture of Earnest Money and Security Deposit and also debar him to take part in the EOI/tender process of the Corporation for the next three consecutive years.

9.4 Amendment

No amendment of any provision of this Agreement shall in any event be effective unless the same has been agreed and made in writing by both the parties.

9.5 Assignment

Neither party shall have the right to assign this agreement without the other party's prior written consent provided, however, that each of the party hereto reserves the right in its sole discretion to assign its right and obligations under this agreement to a wholly owned affiliate provided that assignee shall furnish an undertaking agreeing to be bound by the terms of this agreement.

9.6 Indemnity

The Party shall indemnify and keep ADCL indemnified against all losses or claims for injuries or damages whatsoever which may arise out or in consequent of the execution of any part/ term(s) of the agreement. Provided that the circumstances and situations which may arise out of Force Majeure condition as mentioned in this Agreement shall not be covered under this clause.

9.7 Notices

Any notice to be given under this agreement shall be in writing and shall be deemed to have been duly and properly served upon the Parties hereto if delivered against acknowledgement or by registered mail with acknowledgement due, addressed to the parties. Any change in addresses will be duly notified by the Parties to each other from time to time.

9.8 Effective Date and Validity

This agreement shall come into force as soon as it is signed for all purposes and intents for a period of one year.

9.9 Renewal Clause

The term of this Agreement shall be for one year from the date of entering into the agreement. The same shall be automatically renewed for successive, additional one-year

terms or as mutually decided by the parties unless either party delivers written notice to the other at least 30 days prior to the end of any term of an intention to terminate this Agreement or to renew it.

9.10 Termination Clause

Each Party shall have the right to terminate the agreement by giving one month written notice in writing to the other Party at any time. If the agreement is terminated by either Party, steps shall be taken to ensure that the termination does not affect any prior obligation, project or activity already in progress.

Either party shall have the right to terminate this agreement on account of Force Majeure, as set forth in Clause 9.13 of this Agreement.

9.11 Entire Understanding

This Agreement contains the entire understanding between the parties and supersedes all prior or contemporaneous oral or written agreements, commitments understanding or communication with respect to the subject matter thereof.

9.12 Waiver

The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver nor shall it deprive such party of the right thereafter to insist upon strict adherence to that term or any term of this Agreement. Any waiver must be in writing signed by the waiving party.

9.13 Force Majeure

It is hereby defined as any cause, which is beyond the control of the Supplier or the ADCL, which such party could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affects the performance of the contract, such as:

- i. War, Hostilities or warlike operations (whether a state of war be declared or not), invasion, act of foreign enemy and civil war.
- ii. Rebellion, revolution, insurrection, mutiny, usurpation of civil or military, government, conspiracy, riot, civil commotion and terrorist area.
- iii. Confiscation, nationalization, mobilization, commandeering or requisition by or under the order of any government or de facto authority or ruler, or any other act or failure to act of any local state or national government authority.

- v. Earthquake, landslide, volcanic activity, fire flood or inundation, tidal wave, typhoon or cyclone, hurricane, nuclear and pressure waves or other natural or physical disaster.
- vi. If either party is prevented, hindered or delayed from or in performing any of its obligations under the Contract by an event of Force Majeure, then it shall notify the other in writing of the occurrence of such event and the circumstances of the event of Force Majeure within fourteen days after the occurrence of such event. The party who has given such notice shall be excused from the performance or

punctual performance of its obligations under the Contract for so long as the relevant event of Force Majeure continues and to the extent that such party's performance is prevented, hindered or delayed.

- vii. The party or parties affected by the event of Force Majeure shall use reasonable efforts to mitigate the effect of the event of Force Majeure up to its or their performance of the Contract and to full fill its or their obligation under the Contract but without prejudice to either party's right to terminate the Contract.
- viii. No delay or non-performance by either party to this Contract caused by the occurrence of any event of Force Majeure shall:
 - a. Constitute a default or breach of the contract.
 - b. Give rise to any claim for damages or additional cost or expense occurred by the delay or non-performance. If, and to the extent, that such delay or non-performance is caused by the occurrence of an event of Force Majeure.

10 PAYMENT SCHEDULE

- i. Invoice / Bills, along with original receipted copy of challan, have to be presented to ADCL within 10 (ten) working days of completion of supply, upon which payment for the quantity supplied shall be released to the supplier through Direct Benefit Transfer, to the supplier's acknowledged Bank Account.
- ii. The details of the Bank Account (Account No. and IFSC Code, Bank Name and Branch) and name of the Account Holder shall be submitted along with the Bill. If these details are given on a separate page, then that page must also be signed by the same person who is signing the Invoice / Bills along with stamp / seal.
